## 2017 Primetime Emmy Nominees celebrate at Bergman Style Lounge

To celebrate the upcoming 69th Annual Primetime Emmy® Awards this Sunday, September 17, 2017, over 100 VIP celebrities and entertainment industry guests enjoyed the 8th Annual Bergman Style Lounge and Party at the Melrose Avenue hotspot Fig and Olive in West Hollywood yesterday. This highly anticipated invitation-only event was hosted by Buywine.com and presented by **Skinside** Drinkable Collagen (who made it from Miami despite Hurricane Irma).

Celebrity guests included Primetime Emmy Winner and 2017 Nominee Kim Estes (Best Actor, Short Form, “Dicks”), **Patrika Darbo**, (2016, Primetime Emmy Winner, Best Actress Short Form, “Acting Dead”), along with Primetime Emmy Nominees, **Kevin “The Bull”** (Host of Emmy Nominated Series, “American Ninja Warrior”), **Kelsey Scott** (“Walking Dead”), and **Mo Collins** (“F” Is For Family”).

Emmy® Nominated actors, former Emmy® winners, presenters, stylists and industry VIPs mingled in the courtyard that featured fun fashion for him and couture gowns by Sue Wong for her, beauty, skin and hair care, stunning jewelry collections, gorgeous accessories, fashion (Single Dress was back generously gifting the latest styles in dresses, blouses and pants), exquisite timepieces, dog treats, pet staycation kits, and more.

Multiple Oscar Nominee Bruce Dern ("Nebraska"), **Genevieve Buechner** ("UnReal"), **Shiva Negar** ("American Assassin"), Hollywood Icon **Deidre Hall** ("Days of Our Lives"), **Tony Denison** ("Major Crimes"), **Michael Champion** ("Fuller House"), **Naomi Grossman** ("American Horror Story"), **Nathan Davis, Jr.** ("Detroit"), **Gleb Savchenko** ("Dancing With the Stars"), **Steven Bauer** ("Ray Donovan"), **Lotte Verbeek** ("Madam Secretary"), **Marilu Henner** ("Brooklyn Nine-Nine"), and **Rosa Blasi** ("The Thundermans"), were also some of the stars honored at this luxury gifting experience.

In the spirit of giving back, guests and sponsors donated unwrapped gifts for young adults (ages 13-18) for a Pre-Holiday Gift Drive benefitting 'Wednesday's Child' — a weekly segment airing on KTTV FOX 11 News, Los Angeles, with Anchor Christine Devine. 'Wednesday's Child' highlights 'harder to place' children in the LA County foster care system who are in need of adoptive families. "In Los Angeles County, alone, there are over 35,000 children receiving child welfare services," says social worker, Dr. William Wong. Bergman always invites two foster children to join in on the festivities and experience what it feels like to be treated as a VIP.
